Seb recently came to our wedding and absolutely blew myself and my wife away with his incredible magic skills. Our guests the next day said they were amazed too and he was so worth the money. We highly recommend Seb for any event or occasion, he is genuinely a lovely guy and brilliant at what he does. Thanks again Seb, top man. -D. Bennington

Seb performed last night at our engagement party last night in Sheffield, he was absolutely amazing. Our guests thoroughly enjoyed his performance and would recommend him to anyone who loves magic. Thank you so much for travelling all the way to us and being an absolute star throughout!. -J. Hepworth

I was lucky enough to have Seb perform at my Wedding reception. Seb's passion and love for what he does was clear throughout. He's really funny and has a fantastic way with people.

Magic aside our guests loved him and that alone is a real talent. But if you are looking for someone to wow and entertain an audience then look no further he will get your mind in a pickle with his tricks. Seb is a top guy and deserves every success. -F. Guard
